UBremen Summer Campus

in Business Studies and Economics

June – August

Experience an exciting mix of teaching, working with
companies, language, and social life in Germany

About the UBremen Summer Campus

Study in Bremen and experience the educational and social life in Germany for up to three months in the summer. Get in touch with German and international students and benefit from a diverse summer program including working with companies, specialized teaching and training courses, excursions and much more.

The UBremen Summer Campus is a three-month program for undergraduate students in Business Studies or Economics. Students can gain credits corresponding to a whole term of teaching. All courses are taught in English by leading Bremen professors and international guest professors. The study program consists of three parts: the Summer School Business Studies and Economics, the Language and Cultural Training and the PRAXIS Summer Camp.

Summer School Business Studies and Economics

June – July, 6 – 8 weeks

Courses: Pick 2 or more courses from our diverse course list; the course list is constantly updated and available on the faculty's webpage: www.uni-bremen.de/en/wiwi/studies/summer-school
Hours and Credits: Each course takes around five weeks and is about 4 hrs./week plus self-study time. Each course has 6 ECTS credits.

Language and Cultural Training

July – August, 2 – 3 weeks

Course: Students work on global and intercultural issues in an intercultural training which includes teaching sessions and practical application. German language skills are to be applied through online practice.
Hours and Credits: The language and intercultural training is a two- to three-week full time training and has 6 ECTS credits.

PRAXIS Summer Camp

August, 3 weeks

Course: In cooperation with Bremen companies, students work in teams on real life problems.
Hours and Credits: The PRAXIS Summer Camp is a three-week full time project-based course and has 6 ECTS credits.

Accompanying Program

Apart from the courses, the program offers a lot of activities like excursions and cultural events. In accordance with the group, activities such as city visits and guided tours, project work, museum and company visits, workshops, concerts and parties are organized. Student tutors help our guest students during their whole stay and provide assistance for issues of academic and everyday life.

Student Life

We offer assistance in finding suitable apartments near the campus. On the campus, there are numerous cafeterias, and grocery stores are never far away. Since the UBremen Summer Campus takes place during the regular term, the campus is lively and there are a lot of student events. From the campus, it only takes 15 minutes to get to the city center by public transport. You can spend your free time outdoors, strolling in the city, walking through the ancient quarters of Bremen, relaxing at a promenade along the River Weser, laying at the city beach, making a trip to the North Sea, and much more.

Application and Fees

The application process is handled by your home university. After being accepted, please care for visa issues and health insurance promptly. The list of fees is available at your home university. Apartment reservations are recommended.
