“WOHNEN FÜR HILFE” - HELPS BOTH SIDES FREE OF CHARGE

To vivify the house - that's what a senior citizen might wish for. On the other hand, each year, many students look for a suitable place to live - with little money most of the time, but energetic and open-minded. It seems natural to get these two groups together. [Read more ..](#)

THE EUROPEAN UNIVERSITY: AN OPPORTUNITY FOR THE CITY AND THE REGION?

The idea of Europe is taking shape in one of the first European universities! But what should it look like? What are the priorities - and: how does it influence the region, the economy, society and politics? Close partnership can only succeed with all these actors in dialogue. The University of Bremen therefore invites YUFE, the Young Universities for the Future of Europe, to an open panel discussion on **11 November 2019 at 5 pm**. IT IS ALREADY AN HONOR TO BE NOMINATED!

Because the nomination alone is an expression of high appreciation and good for reputation. The appreciation behind it is often the recognition of the work and the commitment. The University of Bremen has been nominated for the renowned prize for environment management. It will be awarded in Bilbao on November 25. German Representative for the EMAS Award 2019 (EMAS: Eco Management and Audit Scheme) – does have a ring to it, we think. [Read more ..](#)
